**NATIONAL DECLARATION OF COMPLIANCE NO. KDZ/001/PPXPS/2012
dated 21.05.2012**

1. Building Material Manufacturer/Production Facility

VTM-HOLDING Sp. Z o.o.

ul. Cieszyńska 36, 43-200 Pszczyna, Poland,
+48 32 210 45 09, + 48 32 210 30 50

2. Name of building material

PANEL-BASE XPS extruded polystyrene PRODUCTS

3. Statistical classification of building material:

PKW 25.21.41-20.00

4. Purpose and scope of application of building material:

PANEL-BASE products are intended for immediate bases under wood and wood-based flooring, indoors. PANEL-BASE panels are used for light floor structures and intended for levelling cement bases before laying floors made of wood-based laminated floor elements. They provide acoustic insulation of impact sounds (muffling layer). The panels may also be used as muffling layer if the impact sound pressure level is PLn-14. PANEL-BASE in rolls is intended for levelling cement bases before laying floors made of wood-based laminated materials. The rolls may be used in rooms with floor heating.

5. Technical specification:

**Technical Approval No. AT 15-6633/2012
PANEL-BASE XPS extruded polystyrene PRODUCTS**

Issued by the Building Research Institute
ul. Filtrowa 1, 00- 611 Warszawa

6. Declared technical characteristics of building material

**Technical Approval No. AT 15-6633/2012
PANEL-BASE XPS extruded polystyrene PRODUCTS**

7. Name and number of accredited certifying entity or laboratory, and number of certificate or report of type testing if such entity participated in the applied system of assessment of the compliance of building material.

Building Research Institute ul. Filtrowa 1, Warszawa 00-611, Report No. LK00-0735/12/Z00NK

I declare with sole responsibility that the building material is compliant with the technical specification in point 5.
